

# Sample programmes

## Brooklyn sample program 2019

Optional trips are paid for by students. Participation in the activity programme is compulsory for all students under 18 unless accompanied by a Group Leader. During some weeks lessons may take place in the afternoons, not in the mornings. The sample programmes below represent a three weekly cycle of programmes at the centre – week 1 being the first week the centre opens. Groups will therefore join the week applicable to their start date.

## Sample programme
