There is also a large hall used for assemblies and sometimes for afternoon activities and evening entertainment. This hall and main common room is used by both boys and girls when having joint activities and social time.

INTERNET FACILITIES

There is WiFi access across the Academy campus.

MOBILE PHONES

Students can bring their mobile phones but must not use them in class or activities unless directed to. Please note that reception can be erratic due to the location of the school.

SHOPS

Brighton Marina is only a minute walk away and offers a variety of local, typical British shops and entertainment such as cinema, bowling and mini golf. Students will be supervised when going to the local shops and are only permitted at the discretion of the summer school management. No students can leave the premises unsupervised.

ACADEMY SHOP

A tuck shop (a small shop selling sweets, drinks and other items, outside of usual meal times and snack times) may be open at specified times.

THE ACADEMY OFFICE

The EC Academy office is located in the main building near the classrooms and a sub office in one of the boarding houses and is accessible to all students for all enquiries and information or help.

SWIMMING POOL

Students are encouraged to keep their rooms tidy and to use bins provided.

TOWELS

Towels are not provided and students should bring their own toiletries.

SAFE

All students' pocket money and travel documents will be stored in our school safe on arrival. Access will be given at set times to pocket money and all deposits and withdrawals will be recorded. It is vital that the students hand in any cash they have on-site to be kept safe. Students have access to a lockable drawer in their room. We cannot take responsibility for items not locked away.

DAMAGE DEPOSIT

A £30 will be taken on arrival and returned on departure once damage checks are completed.

KEYS

Bedrooms are not lockable at UK boarding schools so no keys are issued. The buildings are secured by a door code which is given to the students on arrival.

NIGHT SECURITY

There is a supervisor at this centre who patrols the grounds and Boarding houses from 11pm to 4am. There is also the usual school security as well as the school CCTV cameras.

PAYPHONES

WELFARE AND MEDICAL

Each boarding house has a house parent who builds relationships with all the students in that House. They will be informing the students, waking them up each day, making sure they eat well and are happy and participating. The students can talk to their house parents about any problems they may have. There will also be a UK state registered nurse visit regularly in case of minor medical issues. If there are significant medical needs we will transport the student to the nearest doctor or hospital.
